GWAVA nabs Novell's 2007 Technology Partner of the Year award

Recognized for their collaboration and contribution to the GroupWise community

SAN DIEGO, CALIF. — January 28, 2008 — GWAVA, Novell's largest Collaboration partner for GroupWise and Teaming + Conferencing, announced today that they were named Novell's Technology Partner of the Year.

Held at Novell's global kick-off event in Orlando, Florida, and attended by hundreds of Novell's worldwide sales and marketing staff, GWAVA was awarded due to its overall exceptional work and product support for the Novell GroupWise Collaboration Community.

"We are grateful to be chosen for this award," said Richard Bliss, vice president, marketing, worldwide. "To be recognized by Novell for our contribution, especially from a field of many exceptional technology partners, is an honor."

About GWAVA

GWAVA is the worldwide leader of software solutions for Novell GroupWise and Novell Teaming + Conferencing. GWAVA continues to lead the GroupWise partner community with email retention, Anti-Spam, Anti-Virus, and Content Control and email management on Linux, NetWare and Windows. GWAVA has a global presence with a worldwide network of resellers, and has forged an array of technology partnerships with companies including Novell, Inc.
