### **Inetra wins GWAVA Global Partner of the Year** *German company reaches \$1 million mark in a single year*

SAN DIEGO, CALIF. — January 28, 2008 — GWAVA, Novell's largest Collaboration partner for GroupWise and Teaming + Conferencing, announced today at GWAVACon Americas that German-based Inetra was awarded the 2008 Global Partner of the Year.

Inetra provides customers with consulting, design and planning as well as multi-level service, user support and maintenance of enterprises. It is GWAVA's largest partner worldwide and since September 2002 has been an exclusive distributor for GWAVA in the German-speaking countries.

"We accept the award with great pleasure and pride," said Inetra's Marco Mikulits. "The recognition proves that we are making a contribution to GWAVA, while helping our own customers and partners with solutions that focus on Novell GroupWise."

GWAVACon Americas, held in San Diego from January 26 through January 29, saw the largest attendance to date for their conferences.

"Inetra not only exceeded sales goals but has increased GWAVA's presence in German speaking countries," said Richard Bliss, vice president, marketing, worldwide at GWAVACon. "We are very fortunate to have Inetra as a business partner."

### **About GWAVA**

GWAVA is the worldwide leader of software solutions for Novell GroupWise and Novell Teaming + Conferencing. GWAVA continues to lead the GroupWise partner community with email retention, Anti-Spam, Anti-Virus, and Content Control and email management on Linux, NetWare and Windows. GWAVA has a global presence with a worldwide network of resellers, and has forged an array of technology partnerships with companies including Novell, Inc.
